Thank you for your interest in touring/working in the Outback Arts Region of NSW

Outback Arts works as part of the Regional Arts NSW network covering the remote FAR WEST region including the local government areas of **Bourke, Brewarrina, Cobar, Walgett, Coonamble** and **Warren**. This includes 7 main townships and over 11 smaller communities.

Outback Arts can distribute information on your tour and can assist aspects of the coordination of regional tours through our presenter group network. We also offer advice on our region's profile, audiences, venues, geography and travel distances, and general information relating to the nature of touring in our region.

Outback Arts' primary goal is to service communities living in the far west region by facilitating their access to appropriate and diverse forms of cultural and arts development, entertainment, and education.

Please see below a 'Tour on Offer' sample which gives a preferred format for information. Once received Outback Arts can advertise your availability and gauge interest.
