July - December 2018

WHO WE ARE

Outback Arts is for all things arts + culture.

Developed in 1999, Outback Arts is a not-for-profit arts and cultural development organisation working in the six local government areas of Bourke, Brewarrina, Coonamble, Cobar, Walgett and Warren.

Outback Arts receives core funding from Create NSW on an annual basis as well as an annual contribution from the contributing local government areas.

Outback Arts has a Creative Arts Centre, including two gallery spaces, an art studio, a board room and a co-working / pop-up shop space. We provide a platform for artists living in Far Western NSW to showcase their works, build their careers through professional practice opportunities and exhibitions.

We're here to cultivate community and artist engagement through creative opportunities that enrich, educate and inspire. We love working with the creative, resilient and generous communities in our region and hope to see you in the gallery soon!
