

2024 Nomination Form for election to the Board of Outback Arts

Local Government Contributions entitle all community member organisations and individuals the rights to nominate a representative to the Outback Arts Board and to voting rights at Annual General Meetings. Shire Councils must nominate a representative and an alternate to represent and vote on behalf of the organisation.

Shire Council representatives do not need to be a shire councillor; the council can choose to nominate a council staff member or an active community member with an interest in promoting arts and the cultural needs of the region.
